Docket No. R2012-7

**MOTION OF THE UNITED STATES POSTAL SERVICE REQUESTING
LEAVE TO SUBMIT REPLY COMMENTS**

(April 23, 2012)

The United States Postal Service hereby requests leave to file reply comments to the comments filed by the National Public Policy Council and the Major Mailers Association on April 17, 2012. These comments were filed in response to the Postal Service's proposal in this docket to establish classification and prices for mailers who wish to include picture permit imprint indicia on their mailings. While Order No. 1302 in this proceeding did not establish a deadline for reply comments, the Postal Service does not believe that any party will be prejudiced by the filing of additional information and explanations in response to those parties' comments.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
By its attorneys:
